The Department of Statistics at the George Washington University Foggy Bottom campus invites applications for a tenure-track assistant professor position to begin as early as Fall 2020, pending final budgetary approval. All areas of statistics will be considered. The selected candidate is expected to maintain a strong research program and teach undergraduate and graduate statistics courses.

The Department of Statistics at The George Washington University is the first Department of Statistics in a college of arts and sciences in USA, and is well known for its teaching and research accomplishments. The Department and the University provide a stimulating academic environment and collaborative research opportunities. The Department has 19 full-time faculty members, and offers the B.S., M.S. and Ph.D. degrees in Statistics, and M.S. and Ph.D. degrees in Biostatistics jointly with Milken Institute School of Public Health. Applicants are encouraged to visit https://statistics.columbian.gwu.edu/ for further information about the Department, and research at GWU.

The department’s location in the nation’s capital offers unique cultural and professional opportunities. Major government agencies such as NIH, NIST, FDA, Census Bureau, Bureau of Labor Statistics, NSF, Federal Reserve Board, research institutions and private companies are located in close proximity and offer exceptional opportunities for research collaboration and research funding to statisticians.

**Basic Qualifications:** Applicants must possess a Ph.D. or Doctorate in statistics, biostatistics or a closely related field. ABD candidates will be considered, but must complete all Ph.D. or Doctoral degree requirements by the date of appointment. Applicants must have strong training in probability and statistics, and demonstrated interest in developing statistical methods for applications. Applicants must have demonstrated teaching excellence indicated by research presentations and teaching assessments, and commitment to research as evidenced by publication in scholarly journals and works in progress.

**Application Information:** To apply, please complete an online application at http://www.gwu.jobs/postings/70806 and upload a cover letter, curriculum vitae, graduate transcripts, research and teaching statements, sample research publications or works in progress, and arrange to send three letters of recommendation to Search Committee, Department of Statistics, Phillips Hall, George Washington University, Washington, DC 20052, USA or to stathire@gwu.edu by email. Review of applications will begin on January 2, 2020 and will continue until the position is filled. Only complete applications will be considered. Employment offers are contingent on the satisfactory outcome of a standard background screening.

The George Washington University is an Equal Employment Opportunity/Affirmative Action employer that does not unlawfully discriminate in any of its programs or activities on the basis of race, color, religion, sex, national origin, age, disability, veteran status, sexual orientation, gender identity or expression, or on any other basis prohibited by applicable law. The university and department have a strong commitment to achieving diversity among faculty and staff. We are particularly interested in receiving applications from members of underrepresented groups and strongly encourage women and persons of color to apply for this position.
