During the first class on August 31, 2015, the class voted to adopt the syllabus proposed by Prof. Gastwirth, including three exams and no final with two of the exams given on a Saturday, and to give him discretion to deviate from the more formal grading system (based on 110 points)

95+ is an A, 90-94 an A-, 85-89 a B+, 80-84 a B etc.

and down-weight the lowest exam score and consider the class.
